A warm welcome to your new home - and to British Gas

Dear Mr Lanla

We've recently been told you've moved home - we hope everything went well, and that you've finished unpacking and are settling in. As the existing supplier for your new home, we're pleased to let you know we've set up a British Gas gas account in your name.

Just so you know, right now you're on our Standard tariff - this isn't the cheapest tariff you can get with us.

To make sure you're on the best tariff for you, and that you're not missing out on a better deal, just call us free on 0800 048 0202*.

You'll find everything you need to know about your new account in the panel on the right. And you'll find a summary of your tariff over the page. We've also enclosed your Energy Supply terms and conditions, please take some time to have a look at them.

You're paying by Cash or Cheque

Paying by cash or cheque is quite simple really, you just need to pay when you get your bill.

Any questions

Please visit britishgas.co.uk/help or simply call us on 0800 048 0202*.

We hope you'll be happy in your new home. If there's anything else we can do for you, just let us know. And don't forget you can switch your tariff any time you want by calling us, or if you manage your account online by visiting britishgas.co.uk

Yours sincerely

Claire Miles
Managing Director, Customer Operations
